FOR IMMEDIATE RELEASE

Spire introduces Micro ATX enclosure codename: Senna

Maarheeze, The Netherlands, 17-12-2013 Introducing the new arrival Micro ATX chassis codenamed: Senna. This cool meshed and contemporary Micro ATX case is bold and packed with all the quality features you're looking for in a Micro ATX chassis. The front design whispers coolness and simplicity, with easy access to four USB ports, 3*USB2.0 and 1*USB3.0. parallel positioned are the HD/AC97 Audio ports for high quality audio. Full main-board tray with large surface area and cut-out mainboard tray that gives pc builders the room they need to assemble and install the CPU Cooler. Top and front re-enforced drive bay rack, for secure mounting of Optical-Drives and Data-Drives. Thermally advanced, by the support of three (3) fan mount locations, in the rear, front and side. Quality and efficiency guaranteed, backed by our solid 2 year warranty and service program. Powered by Innovation from Spire
