FOR IMMEDIATE RELEASE

Spire introduces the Lugen 1603 ATX chassis incl. PSU

Maarheeze, The Netherlands, 20-02-2013 The Lugen series are solid ATX chassis with contemporary looks. The Lugen 1603 tower structure is all about style and functionality. The sleek light brushed front panel is minimal and timeless. The internal structure enables flexible and neat assembly. Sufficient cooling through the multiple fan space positions in the front, side and back of the chassis (not pre-installed). The Lugen 1603 is pre-installed with the Spectra series 420W ATX power supply unit. Providing everything entry-level systems require – reliable power, hi-efficiency, optimal cooling and long life span. The Lugen 1603 chassis is backed by our solid 2 year warranty and service program. Select the brand with the industry experience: Spire – Powered by Innovation.
